MEMORANDUM FOR: Assistant for Plans and Development, NPIC

ATTENTION: [REDACTED]

FROM: Chief, Imagery Analysis Division, CIA

SUBJECT: Rapid Interpretation Printer-Processor Fly-Away Kit (Review of Proposals)

1. We were pleased to have the opportunity to review the technical proposals which you received from the [REDACTED] concerning the subject development.

2. It is our conclusion that the [REDACTED] proposal provides the most acceptable human engineering, packaging, and processing techniques. In addition, we feel that they rate above the other bidders due to their previous experience with devices using Diazo products, and their apparent state-of-the-art knowledge.

3. Although we remain extremely interested in this development project, we request that contractual action be postponed until the current RIPP project with [REDACTED] is completed and evaluated.
